

NATIONAL ASSOCIATION OF DAIRY FARMERS

NEWSFLASH - JANUARY 2011

Dear Member, Stakeholder and Supplier

Compliments of the Season to everyone. I hope that you had a wonderful Christmas and New Year and that you are ready to face 2011 with all the challenges it may hold.

STABEX '95 VACCINE PROGRAMME

NADF circulated a form via e-mail for completion by those farmers who have benefited under the vaccine programme to enable us to try to evaluate the success of the programme in December last year. Our final reporting and data capture to the European Union relies on your feedback as recipients of the vaccines that were available under the programme.

The response we have received has been disappointing to say the least. We thank those who have returned their completed questionnaire.

PLEASE could you assist us by completing this form as a matter of urgency and return it to NADF to Debbie Mylroie at livestock@cfuzim.org

Many thanks for your assistance and cooperation.
