worldremit money transfer

4). Set Up Account - Recipients

5). Example screen - calculates exchange rate automatically displays Fees.

- 6). Once you complete this you will be sent three e-mail confirmations (not all at the same time)
 - Confirmation of the transaction you have done on the phone.
 - Confirmation once the money has left your account and you are given a Transaction number
 - Confirmation once the money has been deposited into the account or cash has been collected.
