

Parks and Wild Life (General) (Amendment) Regulations, 2019
(No. 6)

IT is hereby notified that the Minister of Environment, Tourism and Hospitality Industry has, in terms of section 129 of the Parks and Wild Life Act [*Chapter 20:14*], made the following regulations:—

Title

1. These regulations may be cited as the Parks and Wild Life (General) (Amendment) Regulations, 2019 (No. 6).

2. The Third Schedule to the Parks and Wild Life (General) Regulations, published in Statutory Instrument 362 of 1990 (“hereinafter called the principal regulations”), is amended—

- (a) by the deletion of “buffalo” in PART A; and
- (b) by the insertion of a new part as follows —

“PART E

Buffalo”.

3. Section 53A of the principal regulations is amended in subsection (4) by the insertion of the following—

- “(e) animal specified in Part E of the Third Schedule, shall use a modern compound bow or traditional bow with a minimum draw weight and arrow combination capable of producing a minimum of 80ft.lbs. of kinetic energy. Arrows should be of modern construction, either aluminium, carbon, graphite or a combination of these, with a weight of not less than 600 grains, including the broadhead. Broadheads should be of single bladed construction with two cutting edges and none replaceable blades with a minimum cutting length of 30mm. No mechanical broadheads may be used. (Mechanical broadheads include all broadheads where blades deploy on impact.) These bow hunts should be accompanied by a qualified professional hunter with previous bow hunting experience in dangerous game.”.
