

Lantana camara
lantana (A + E)

Cut stump treatment

fluroxypyr/picloram (tri-isopropanolamine salts) 80/80 g/l ME

Plenum 160 ME (L7702)

Use 150 ml + 50 ml Actipron Super/10 l water. Apply to cut surface of low cut stumps within three hours of felling.

imazapyr 100 g/l SL

Chopper (L3444), **Hatchet** (L7409)

Use 200 ml/10 l water. Apply to the cut surface of freshly cut stumps. Use at least 10 ml per 100 mm of stump diameter.

picloram 240 g/l SL

Access 240 SL (L4920), **Browser** (L7357)

Use 100 ml + 50 ml Actipron Super or BP Crop Oil/10 l water. Apply to the cut surface of low cut stumps within three hours of felling.

Foliar application

fluroxypyr/picloram (tri-isopropanolamine salts) 80/80 g/l ME

Plenum 160 ME (L7702)

Use 150 ml + 50 ml Actipron Super/10 l water. Apply as a full cover spray on actively growing plants.

glyphosate (ammonium) 680 g a.e./kg WG

Roundup Max (L6790)

Use 160 g/10 l water with knapsack sprayer or 200 g/10 l water with mistblower. Apply as a full cover spray.

glyphosate (isopropylamine) 240 g a.e./l SL

Tumbleweed (L4817)

Use 300 ml/10 l water. Apply as a full cover spray in summer to autumn.

Lantana camara
lantana (A + E)

(continued)

Foliar application

glyphosate (isopropylamine) 360 g a.e./l SL

Bounty (L7268), **Buggie 360** (L6086), **Bush Pig** (L7430), **Erase** (L6206),

Glyphogan (L5393), **Glyphosate 360** (L4732, L4767, L4756), **Mamba** (L4817),

Profit (L4774) **Roundup** (L407), **Scat** (L5716), **Senator Xtra** (L6884), **Strip**

(L6752), **Sunup** (L4687), **Zeta-Gly** (L6881)

Use 300 ml/10 l water with knapsack sprayer or 400 ml/10 l water with mistblower. Apply as a full cover spray in summer to autumn.

glyphosate (isopropylamine) 450 g a.e./l SL

Roundup Turbo (L7166)

Use 240 ml/10 l water with knapsack sprayer and 320 ml/10 l with a mistblower.

glyphosate (isopropylamine) 480 g a.e./l SL

Mamba Max 480 SL (L7714)

Use 220 ml/10 l water with knapsack sprayer and 300 ml/10 l with a mistblower.

glyphosate (potassium) 500 g a.e./l SL

Touchdown Forte Hi Tech (L7305)

Use 200 ml/10 l water. Slash large bushes in winter and apply to regrowth in summer.

glyphosate (sodium) 500 g a.e./kg SG

Kilo WSG (L7431)

Use 220 ml/10 l water with knapsack sprayer or 290 ml/10 l water with mistblower. Apply as a full cover spray in summer to autumn.

imazapyr 100 g/l SL

Chopper (L3444), **Hatchet** (L7409)

Use 200 ml/10 l water. Apply as a full cover spray when regrowth is 0.5 to 1.0 m high.

Algekol. 80 ml / 10 l.
