Layer Developer Concentrate	1020.00
Layer Concentrate	1205.57

Notes

Uptake of chicken products on the formal wholesale and retail markets is relatively low and upward price adjustments persist. The retail price of day-old chicks has increased from ZWL 12.00 to ZWL 15.00 per chick since mid-February.

Prices of stockfeed are being frequently reviewed upward and shortages in supply of raw materials are still being experienced on the market.
